# Intek's Easy Purchase Plan

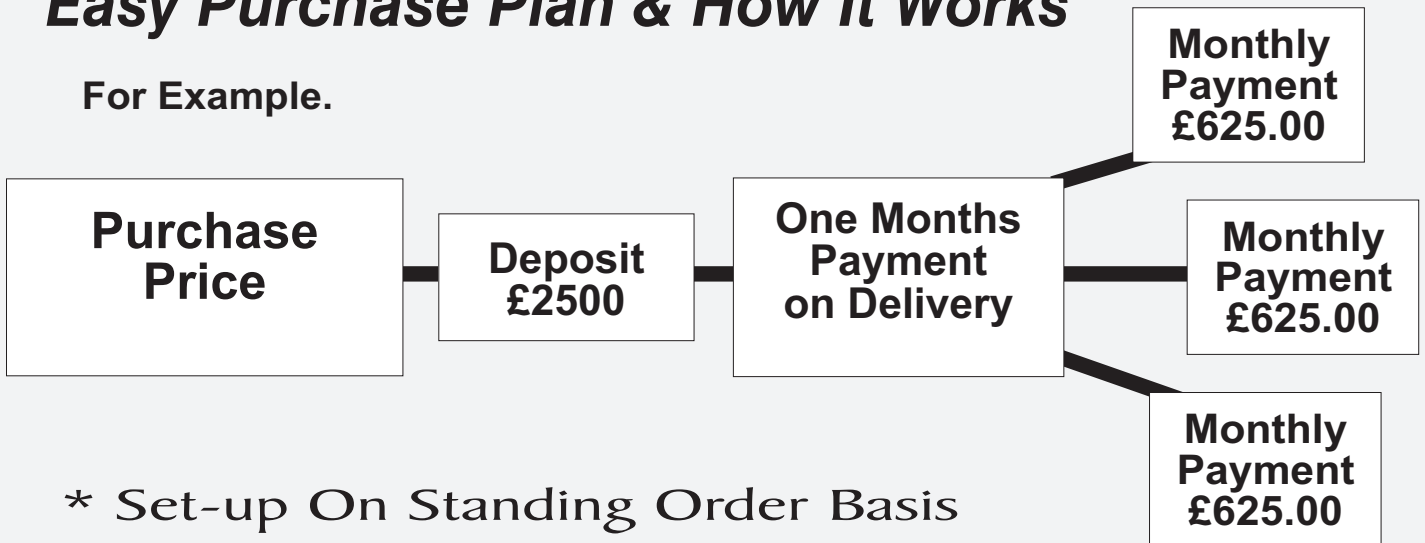

Sick of having to pay for everything in one lump sum?

Need a new Background Music/PA System, Sound Limiter, Big Screen, Plasma, Door Access Control or perhaps a CCTV system?

## Easy Purchase Plan & How It Works

For Example.

\* Set-up On Standing Order Basis & Subject to Status.

Intek Electronics have designed this system especially for small businesses, where the burden of upgrading existing or new equipment such as sound systems, Big Screen or CCTV can sometimes be a major drain on cashflow. By spreading the payments over a three monthly period this eases the burden on cashflow, and allows you to purchase when you need it and not necessarily when funds are available.
